Jeff,

Those are the dates. We are finishing up a presentation for the meeting. Once we have it complete, we'll share it with ya'll.

Subject: Exceptional Event Conf. Call on March 3

Donna,

In preparation for the conference call on March 3rd to discuss a possible exceptional event demonstration, we understand TCEQ is considering submission of an exceptional event demonstration for several dates in August 2020 at the Grapevine Fairway monitor (C70/A301/X182). I wanted to check to see if there are any advance materials you want us to evaluate or consider prior to the conference call? Our staff has been doing some initial preparation for the call and so far we've assumed there are three days in August the TCEQ is probably considering (August 16, August 17, August 21, 2020). Can you confirm whether these are the three primary dates TCEQ is evaluating and if you have any advance materials you want us to consider prior to the call? Thanks.
